IMPORTANT PAYMENT INFORMATION!

GROUP memberships are one transaction that registers multiple members at one time.

*The Primary member receives one invoice (via email) that is paid either by **check** or **credit card** with one transaction paying for all members of the **GROUP**.*

SINGLE memberships are also one transaction, but for only one member at a time.

*Each member receives a separate invoice (via email) to be paid by **check*** or **credit card** with separate, individual transactions. This includes adding a **SINGLE Associate** membership.*

**Multiple invoices may be combined for one check payment from an Organization / Company.*

RENEWING? *Thank you, we appreciate your continued support!*

1. **Are you currently an Associate Member from your organization / company?**
